

Race & Ethnicity, Boston, 2000

Notes:

1. Hispanics can be of any race.
2. All races are displayed exclusive of Hispanic origin population.
3. Except for the *Two or more races* category, the data reflect those who reported only one race.
4. Data for the American Indian/Alaska Native, Native Hawaiian & Other Pacific Islander, and Some Other Race categories are not shown because they round to zero percent.
